

LONDON CHILDREN'S FLOWER SOCIETY

SUMMER SEED COMPETITION SCHEDULE 2021

To be judged
Summer Seeds

Competitor
Group/Individual

Certificate Award
Gold/Silver/Bronze

Judging Criteria

Gold will be awarded to a fully grown plant in good condition that is in flower/bud/fruit.

Silver will be awarded to a fully grown plant without a flower/bud/fruit.

Bronze will be awarded to a seed that has been planted properly and with some indication of growth.

(If the plant matures early - photographic evidence will suffice.)

Rules

LCFS Judges will only judge seeds that have been purchased by the School from the Society for the current competition year. Children can either enter as a group (e.g. as a class or Gardening Club) or they can enter as individuals.

The seeds must be clearly marked/labelled in order for the judge to see who has been responsible for growing which seed(s). The judge will then award each Group/Individual a Gold, Silver or Bronze award certificate for their efforts.

The school will then be judged by LCFS as a whole and the school will be awarded a Gold, Silver or Bronze Certificate. The top 27 schools (including those from the Spring and Summer Garden Competitions) will be selected by LCFS and invited to our Annual Trophy Ceremony at the London Guildhall to receive their trophy and prizes.
